

The Landlady
Fyodor Dostoyevsky
Translated by Constance Garnett

Everything changed when Ordynov, a secluded young thinker, stepped out of his old lodgings in search of another corner. The ailing landlord watched from a distance, while the beautiful landlady came close... A tale of love, murder, and sorcery, *The Landlady* is one of a kind among Fyodor Dostoevsky's works. Written at the age of 26 before he was sent to Siberia, preceded only by *The Double* and *Poor Folk*, this novella draws inspiration from Russian folklore as well as stories by Pushkin and Gogol. It anticipates some of the writer's most important ideas to be developed in his later writings. (Summary by Yuqing Cao)
